

Sermon Title: The Fruit of a Disciple

Speaker: Mark Medley

Date: 4/15/18

A disciple of Jesus Christ is one who seeks to _____ his or her _____ around the life and teachings of Jesus Christ.

2 Corinthians 13:5 - *Examine yourselves, to see whether you are in the faith. Test yourselves. Or do you not realize this about yourselves, that Jesus Christ is in you—unless indeed you fail to meet the test?*

If we do not seriously consider Jesus as our teacher on how to live, we cannot think of ourselves as _____.

There is a way to measure whether or not you are a follower of Jesus Christ.

- 1) Do you _____ what he did?
- 2) Do you _____ what he said?

My life organizes itself around my _____.

Prayers of a heart that longs to follow Jesus:

God, teach me to know you; help me to truly be a follower of Jesus. Help me to do only what You want, when You want and how you want.

God, help me, through the process of this day, to weed out sin from my life (from my actions and attitudes). I want to be more pleasing to you at the end of this day than I am at the beginning.

God, help me to share this life you have given me with others. Help me to let my light shine so that others will glorify you.

Questions for House Church, triads or private devotions

- 1) Who would you say have been the most influential teachers in your life? Is Jesus Christ included in that list?
- 2) How well do you think you “sync-up” with the acts and teachings of Jesus in your day-to-day life?
- 3) Are you willing to pray the prayers listed above daily for at least one week?

Fill in: order, life, His disciples, do, obey, heart

We must “sync-up” and share Jesus’ view of this world in order to become his disciples.
