❖ **How to pray for others who want more of the Spirit**

1. Make sure that the person is truly born again. Ask the person his or her experience with the Spirit at the new birth. Don't just assume that a person is saved and just needs a new filling.
2. If you are satisfied that a person is born again and is seeking for a greater experience of the Spirit, talk to them about their need to be controlled by the Spirit and not just experience a good feeling.
3. Pray for the removal of any and all obstacles to being filled; moral failure, disobedience, lack of forgiveness, unbelief, etc.
4. Make sure that they believe that they will receive the answer to this prayer especially in light of what Jesus promised: "If you then, who are evil, know how to give good gifts to your children, how much more will the heavenly Father give the Holy Spirit to those who ask him!" (Luke 11:13)
5. Have the person ask God to fill them with His Spirit and to give them every gift that He has for them.
6. Pray for them to be filled with the Holy Spirit. It is biblical to ask God to release gifts of the Spirit through a person.
