

Holy Spirit is Powerful – I Corinthians 12:1-11

Tyler Lynde

07/22/18

Holy Spirit

- **The Gift of _____** - The supernatural working of the Holy Spirit upon the believer that empowers him or her to trust fully that God will act in a supernatural way at a particular time

❖ **Three Categories of Biblical Faith**

1. _____ **Faith** - the faith we exercise following regeneration and through which we are justified
2. _____ **Faith** - the faith we exercise daily as an expression of dependence upon and confidence in God
3. _____ **Faith** - the faith that is given as a gift from God to cause us to know that He is going to do something supernatural that defies logic

- **Gifts of _____** - A supernatural manifestation for the healing of sicknesses or diseases in varying ways without any natural source or means

❖ **5 Layers of Faith for Healing**

1. Faith that God is your sole _____ for blessing, that He alone is your hope
2. Faith in God's ability to _____
3. Faith in God's _____ for healing
4. Faith not only that God can heal, not only that God delights to heal, but faith that God _____ heal
5. Faith that it is His will to heal right _____

❖ **Why doesn't God always heal the sick?**

1. A lack of faith in _____
2. Unrepentant _____
3. Not _____ to be healed
4. Not _____ for healing
5. _____ involvement
6. Divine _____
7. _____ consequences

"I decided long ago that if one hundred people receive prayer and only one is healed, it is better than if none receive prayer and no one is healed"

John Wimber

- **Working of _____** - The supernatural suspending of natural law causing the impossible to become possible in order to bring glory to God
