

## Understanding where prophecy comes from:

**It is a \_\_\_\_\_.** "Prophecy, therefore, is not based on a hunch, a supposition, an inference, an educated guess, or even on sanctified wisdom. Prophecy is not based on personal insight, intuition, or illumination. Prophecy is the human report of a divine revelation" (Sam Storms)

## The kinds of things prophecy reveals:

- **Discloses the \_\_\_\_\_ of people's hearts (1 Cor. 14:25)**
- **Gives people \_\_\_\_\_ (Acts 21:4, 10-14)**
- **Guidance for ministry \_\_\_\_\_ (Acts 13:1-3)**
- **Revelation of an \_\_\_\_\_ God intends to heal (Acts 14:9-10)**
- **Revelation of a \_\_\_\_\_ God intends to impart (1 Timothy 4:14)**

## Evaluating prophecy:

- **It must \_\_\_\_\_ up with the written Word**
- **Is the person giving the word \_\_\_\_\_ in the church?**
- **Does the word \_\_\_\_\_ up and \_\_\_\_\_?**
- **Does it stand the test of \_\_\_\_\_ experience?**

## Questions for House Church discussions, triads, family devos:

1. Has God ever used you in the gift of prophecy? If not, have you actively pursued it by asking God to give it to you? Do you understand its importance?
2. Describe a time when you saw the gift of prophecy operate by revealing something that had to be supernaturally disclosed.
3. Have you ever seen prophecy properly evaluated in a meeting? If not, what concerns would you have? Would it make it feel safer if it was regularly evaluated?
